Peace & Goodwill:-

With deep sorrow and great concern we have observed during the past days weeks some of the most horrifying acts of violence against humanity. From blowing a tourist flight, to bombing on the streets of South Beirut, to attacking several cultural locations in Paris, causing massif loss of life. That was all against the innocent civilians whose only wrong doing was that they were leading a normal life, on their way back home, doing their shopping in close by stores, worshipping in a mosque, being in a sport stadium, attending a musical event, or being in a coffee place. Indeed no normal life is allowed wherever ISIS is present... As if not enough all what ISIS is doing in Syria for almost five years or in Iraq, killing the innocents, destroying history and culture, and causing millions to be displaced or made refugees on the shores of the world.

Beirut mourns with Paris and Damascus and Aleppo, and Homs, and Baghdad, and Moscow, and with every place that suffers acts of violence. Violence indeed negates the will of God who wills life for all.

We in the National Evangelical Synod of Syria and Lebanon strongly condemn all acts of violence anywhere and at any time and for any reason. WE pray for all the families that have lost loved ones. We stand in solidarity with, and support all who work for peace, justice and reconciliation. We call upon the whole world to stand against all act of violence, to do all that is possible to bring to an end the tragic events in Syria, Iraq and other places. We believe that the super powers can come to agreement to help making the world a better place that fits for life and human dignity. Thus we pray for all who can make a difference and help bring about peace to act fast. It is enough death and destruction! Enough violence.

We invite all who believe in the God of life to pray with us so that the PEACE OF GOD may prevail in our world.
To God be the glory.
